

Glasgow Farm Church

Glasgow Farm Church officially opened as a drive-in church on March 22, 2020. When COVID restrictions shut churches down, we opened. In the past year we've had 60 baptisms, many have come to Christ, and others have been healed and delivered.

When COVID struck, we also started drive-in prayer, drive-in movies, concerts, and live biblical presentations drawing thousands of people who may never have gone to church inside a church building.

We gather for church every Sunday outside from 2PM-4PM, rain or shine, cold or hot, or snow or ice. We're drawing drug addicts, homeless, widows, unchurched, church, middle class, poor, catholics, presbyterians, methodists, pentecostals, baptists, atheists, non-denominational and everything in-between. Everyone hears Jesus and what He's done for them, everyone is drawn by the Holy Spirit here, the Bible is preached, taught and revealed in all its truth as the word of God from His Throne.

We offer Bible, marriage, and finance classes, youth groups, women and men fellowships, and more. We're a non-denominational church.

Our Mission Statement

We are a family group of believers in Jesus The Christ, savior of the world and ruler of the entire universe, that preach the Truth of the Gospel of Jesus with all His authority, everywhere to every creature. Seeing the lost loved, delivered, healed, saved, baptized, taught the Word, disciples, baby steps then to walk in the Holy Spirit, and promoted into the church in power of the Holy Spirit.

We are promoting and enabling a family of believers and followers in Jesus to come into a loving family, find Him, grow with Him, and be sent out with Him to preach the Gospel in their daily life or in full-time service.

Jesus is the answer to every question. Matthew 28, Mark 16.

Vision for Glasgow Farm Church

Our vision is to equip the church body to replicate the early Acts church. The areas below are our vision for staff growth for Jesus' revival in outreaching to Fredericksburg, Virginia and outreach to the world as stated in Matthew 28 and Mark 16 for our response to the GREAT COMMISSION from JESUS.

Outreach beyond our church, Our dream and hope is to start farm churches all over the country and world, by doing the same things we are doing to bring the lost to Jesus and to teach them to observe all things He taught us through His Word. There's a good chance that one day churches will go underground. We want to teach people how to have church using the land and resources they already own to preach the gospel of Jesus Christ to all nations.

Outreach to our local community within 90 miles.

We plan to bring our truck/trailers to low income areas to provide evangelism, Vacation Bible School, outdoor movies, concerts, baptisms and more. WPER, our local Christian Radio Station, said they would partner with us in promoting these events.

Once our staff is in place at the farm church, we will be going on Gospel events to farms all over the US and World to start multiplying the same outdoor church model as the Glasgow Farm Church. Jesus was born in a barn, Jesus preached outside everywhere, He told us to go everywhere in the world and preach the Gospel!

Staff- Our goals for growing Gods ministry are hiring God's key people.

Staff currently needed that is being done by Pastors Sharon and Dale:

Church administrator:

Assistant Pastor:

Facilities Manager:

Children's Pastor:

Youth Pastor:

Creative worship Pastor:

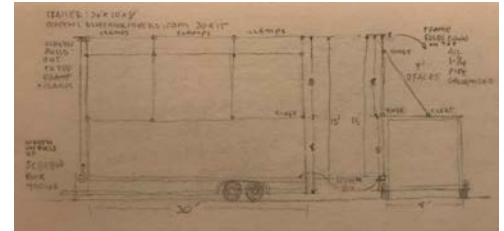

Widows and Orphans and least of these pastor.

Truck and Trailer

This trailer will go anywhere in the US that God sends us to minister in outreaches.

Our vision is to use a 30ft gooseneck trailer for transporting and storing equipment both for weekly events and for mobile events, and have a separate food trailer.

Items stored inside the trailer: audio, live feed, lighting production equipment, tables, tents, chairs, and general church gear. The Event Command Center would be housed inside the trailer and would be a conditioned space. A 30ft x 15ft projection screen for outdoor movies and projections would unfold using one side of the trailer.

Command Center Trailer, 8 x 8 x 30ft, ex. Goose neck 10,000lbs GVW

https://sleequipment.com/8-5x36-60203noapp-enclosed-trailer.html#product_tabs_additional_tabbed. Cost: \$18,000-\$44,000.

Trailer Improvements: HVAC, electrical, lighting, cabinetry, and framing. \$10,000-\$15,000.

Food, Provisions Vending Trailer, for providing food for outreach events, mobile kitchen, storage.

8 x 8 x 30ft, ex. Goose neck 10,000lbs GVW

<https://sleequipment.com/concession-trailer-bbq-8-5x30-black.html> Cost: \$18,000-\$44,000.

Trailer improvements: HVAC, electrical, lighting, cabinetry, and framing. \$10,000-12,000
